MAXIMIZE EVERY DOLLAR YOU GIVE

- The three keys of filmmaking: production values, dedicated crew and top level editing. Everyone involved in this film will work hard to see that your contribution is well spent!
- We will bring you great perks including chess boards, T-shirts, movie posters and even set time with the Producers & Directors.
- Filming has already started and we will go through to the finished product whether or not we hit the fundraising goal.

THE IMPACT

1000GM as an organization has already run hundreds of events and produced a youtube following with tens of thousands of followers.

Direct, Executive Producer, and host, Dylan Quercia, has successfully produced an award winning documentary called King Chess which is scheduled to be released world wide in 2024.

Risks & Challenges

Help us create an outstanding documentary film, *The United States of Chess*, by supporting 1000GM. We have direct access to film and TV professionals, as well as a pool of talented chess prodigies. Our team is well-equipped to handle all aspects of production, from pre-production to film festivals and distribution. Our main challenge is raising \$500,000 to achieve our goal. With your assistance, we can make this high-quality film a reality.
